Greg

Thanks for this biweekly. Looks good.

No leave requests so far for next week.

Thank you.

Hi Sujatha,

Please review the draft ERB1 biweekly below. Shouldn't you and I be invited to the 2,4-D weekly mitigation meetings, even if we don't plan to participate? Frank is invited, with Faruque and Vanessa copied. But nobody forwarded the meeting to us, which I find inconsistent with normal practices.

Thank you,  
 Greg
